TO FRIENDS AND SUPPORTERS OF THE PBS-SEPM:

PBS-SEPM is currently seeking sponsorship for the June 2021 - May 2022 year.

The PBS-SEPM, Permian Basin Section – Society of Economic Paleontologist & Mineralogists, (now known as the Society for Sedimentary Geology), has been serving the Permian Basin since 1954. Our organization helps keep the Permian Basin geoscience fields up-to-date by bringing in speakers and field trip leaders to discuss different aspects of geology and other geoscience fields.

The PBS-SEPM hosts luncheon lectures, core workshops and field trips. We bring in guest speakers from all over the country to discuss current geological topics. Our luncheon lecture series, along with core workshop classes, and field trips are led by experts in their chosen areas of the geosciences.

The PBS-SEPM also provides scholarships to graduating high school students in western Texas and New Mexico. These scholarships are on occasion, offered to college students that have declared their desire to pursue a degree in the geosciences.

We welcome both corporate and individual sponsorship. Your support will help benefit the Permian Basin geoscience community and further our mission to provide topical education of the geosciences.

The Society has six publicized sponsorship levels:

PLATINUM – Your generous support of **\$1500 or more** will provide your company with recognition for two years on the Young Professional Field Trip (YPFT) (including guidebooks and other paraphernalia), core workshops, PBS-SEPM monthly luncheon slides, newsletters, website, and new publications.

GOLD – Your generous support of **\$1000** will provide your company with the same level of recognition as above for one year, excluding new publications.

SILVER – Your generous support of **\$700** will provide your company with recognition for one year on the core workshop/one day field trip (including guidebooks), PBS-SEPM monthly luncheon slides, newsletters, and website.

BRONZE – Your generous support of **\$400** will provide your company with recognition for one year on all PBS-SEPM monthly luncheon slides, newsletters, and website.

ALUMINUM – Your generous support of **\$250** will provide your company with recognition for one year on all PBS-SEPM luncheon slides and table tent for one luncheon date.

INDIVIDUAL – Your generous support of **\$50** will provide your business card advertised for one year on the PBS-SEPM website, technical luncheon slides, and each newsletter.

Thank you for your support and commitment to this society. Donations can be made through check, cash, or online with credit card. Please make checks payable to PBS-SEPM and return the check with the completed form below to: **PBS-SEPM, 2900 W. Front St., Midland, TX 79701**. Once we have received your form and payment, please send a high quality digital company logo to info@pbs-sepm.org.
